Crane Training Schools Kamloops

Crane Training Schools Kamloops - Our various Mobile Crane Operation programs are designed for experienced operators who requires re-certification or certification, and for inexperienced individuals who are looking for their very first job as a crane operator. Industry demand for certified crane operators is high all around the country. Crane operator positions are in demand due to their high pay. Operators of cranes are amongst the highest paid of whatever heavy machine operator.

Our Crane Training Schools feature instruction and training for a wide variety of mobile cranes. Course subject includes Wire Rope, Crane Set-up, Lift Planning, Load Dynamics, Rigging, Signaling and Load Charts.

The Crane Training School program is suitable for riggers, supervisors and operators. Course materials comprise a manual and informative hand-outs. The illustrated safety manual consists of 100 to 250 pages, which depends on the course, of useful and vital material. Course materials consist of load exercises and load charts for the crane with which the trainee is working.

Hands-On Safety Training would take up more than half of the course curriculum. The practical training part is the most helpful method to improving and developing personal skill levels. Only qualified journeyman crane instructors are selected to teach the courses. Our instructors have many years of practice in the business.

For all the course we provide, we can include optional testing mechanisms to customize your training. A test for skills is normally administered for programs which include H.O.S.T. Trainees would be tested and graded.

We provide certified training programs for the following cranes: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Rigging / Signalperson Training and Certification; Articulated Boom / Knuckleboom Cranes; Testing & Certification; and In-The-Seat Training.
