

Nissan Forklift

Nissan prides itself on achieving total consumer satisfaction when their client is enjoying one of their various trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and detail-oriented quality standards to their clients. Incorporating a rich heritage combined with resilient production principals, Nissan Forklifts provide a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing consumer support, the business has four separate production facilities that allow them to constantly adapt to their consumers continually evolving needs by providing a range of progressive ideas and concepts.

The Nissan Lift truck North and South American foundation is stationed in Marengo, Illinois. A devoted team of 350 personnel is fully committed to the cooperation, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to preserve environmental responsibility by using techniques that minimize the global impact of their goods and processes. These high values remind consumers that Nissan operates under the quality seal that their consumers require whilst being an environmentally conscious corporation.

Nissan is assured that they will be able to address any customer questions or concerns. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
